To Whom It May Concern:

**Confirmation of attendance to the 57th session of the ISI**

This is to confirm that **Dr. Maria Pilar Munoz** attended the 57th session of the International statistical Institute (ISI) conference held in Durban from 16 to 22 August, 2009.

She presented a paper in collaboration with **Cristina Corchero** and **F. Javier Heredia**. The paper is titled **“Improving electricity market price scenarios by means of forecasting factor models”**. This paper was presented at an Invited paper meeting (IPM 66) session on Energy Statistics.

Yours Sincerely

Dr. Jairo Arrow  
ISI Executive Secretary
